

The True Light Academic Achievement Award

The True Light Academic Achievement Award (TLAAA) recognizes the accomplishments of members in the congregation who graduate from various educational institutions. Unlike most academic scholarships, the TLAAA is not strictly based on individual skills and abilities. As a "love offering," the TLAAA will hopefully serve as encouragement for students to achieve greater educational goals and continual spiritual growth.

ELIGIBILITY

- Must be a member of True Light Missionary Baptist Church
- Must graduate from an educational institution (e.g. high school, college, vocational training, graduate / professional school, and/or a military academy)
- College / professional / military academy students who were active members of the congregation prior to attending a school in another area are still eligible
- College students who are new to Hattiesburg must be a church member for at least **one** year and active in at least **one** ministry.
